TIME_x Private Functions

```
graph RL; A[TIMEx Private Functions] --> B[TIMEx];
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text "TIME_x". The box on the right is gray with a black border and contains the text "TIME_x Private Functions". A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship where the private functions are used by the main module.
