

RCC Exported Macros

AHB1 Peripheral Clock  
Enable Disable Status

```
graph LR; A["AHB1 Peripheral Clock  
Enable Disable Status"] --> B["RCC Exported Macros"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text "RCC Exported Macros". The box on the right is light gray with a black border and contains the text "AHB1 Peripheral Clock" on the top line and "Enable Disable Status" on the bottom line. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship between the two components.
